

BEAVERS

Summer Term at Beavers!

Well Hi Everyone!!!

We thought it might be a good idea to share some of the achievements and fantastic things we do here at **2nd Cheshunt Beavers**. It's been such an exciting time with lots of badges earned and great fun too! We hope your small people enjoy Beavers as much as we love having them here and hopefully they tell some good stories about what we get up to! This term has been filled to the brim but here's a taste of what we've been up to...

1

Badges

Did you know that our programme is tailored so that we help the Beavers to achieve as many badges as possible before they move on to cubs. Sometimes this will involve doing a little something at home but they are mostly achieved during our meetings and generally we're just having fun! Remember Beavers, the more you're here, the more badges you'll achieve!

Out and About

We know the children love exploring different environments and the warmer weather and extra daylight gives us the perfect excuse to get out and about more often. From searching for the perfect bits to put in our bug hotels, to having a fab time on the activities at Tolmers, as well as getting out on our bikes, going on a hike for Father's Day, exploring Cedars Park and cycling around outside the hut, we've been VERY busy!

4

Parent Camp

Parent Camp is always a highlight of our year and this year was no exception. Our Alien themed camp was packed full of activities. We managed to create catapults to scare off any aliens, design and make our own space ship lantern, make the coolest T-shirts and so much more! Learning to light a fire and cook some treats went really well while songs around the campfire had us all laughing. It's always a great way for everyone to get to know each other so if you didn't make it this year, clear your diary for next summer! You can't miss it!

6 Reminders

Every week the Beavers should wear their Polo Shirt, Beaver Jumper & Necker. Shoes should be comfy and safe to run about it.

When we're away from the hut, Beavers should always have a small bag they can carry that has water and small snack unless we let you know otherwise.
